We will notify all **enrolled** instructors if the schedule has to change at least 2-3 weeks before the start date of the course via the e-mail address registered on CNAMS at the time. The CATC's liability in the event of such cancellation will be limited to only the course fees that have already been paid by the affected individual or institution for the specific cancelled class.
3. Enrolment cancellation will only be accepted up to 3 weeks before the start date of a class. Should an instructor cancel his/her enrolment after this date, he/she might still be liable for the full course fees.
4. All enrolments or cancellations should be confirmed via e-mail (renaldo.rheeder@ssacatc.co.za)
5. Course fees quoted above exclude VAT which is payable by South African Academies. Academies outside South Africa are exempted from VAT.
6. Course fees are payable no later than on the start date of the class. We reserve the right to deny access to the class if this condition has not been met and if no alternative arrangements have been made.
7. Instructors that enrol into any of the scheduled courses should confirm that their academy is signed up for the course with their parent academy and that their annual fees are paid up.
